Subject: Cost to replace curbing on Hazeltine, Whitney, and Oak Knoll
Attachments: Curbing Estimates 6-8-2016.pdf

Hi Blythe,

As you requested, listed below are the cost estimates to replace curbing on Hazeltine, Whitney and Oak Knoll;

Granite Curbing - \$40.00 per linear foot (lf)
Asphalt Curbing- \$15.00/lf

Hazeltine and Whitney has approximately 3,863 ft of curbing;
Granite - \$40.00/lf x 3,863 ft = \$154,520.00
Asphalt - \$15.00/lf x 3,863 ft = \$ 57,945.00

Oak Knoll cul de sac has approximately 560 ft of curbing;
Granite - \$40.00/lf x 560 ft = \$22,400.00
Asphalt - \$15.00/lf x 560 ft = \$ 8,400.00

Total Cost;
Granite - \$176,920.00
Asphalt - \$ 66,345.00

I've attached John's worksheet as back-up..

Vin
